# Getting ready to use Wimba Classroom (Mac)

Before you attend a Wimba classroom session please make sure that your machine is ready to go.

1. Click on the Apple icon at the top left corner of your screen and select **Software Update**.

2. Click on the **Install and Restart** button if your machine finds updates.

3. Open **Firefox** and point your browser to http://gvsulive.wimba.com/wizard/wizard.html

4. Click **Start** to begin the setup wizard.

5. Select **Preferences** to allow pop-ups for gvsulive.wimba.com, and select **Retry Test**.

6. Select **Next**.

7. Listen to the audio playback (plug in headphones if needed) and select **Next**.

8. Select **Next**.

8. Click **Finished** when you have completed the wizard. You are ready to participate in a Wimba Classroom Webinar.

If you have any problems or questions please feel free to contact Wimba:
